Introduction

*"Why, man, he doth bestride the narrow world
Like a Colussus; and we petty men
Walk under his huge legs, and peep about
To find ourselves dishonorable graves.
Men at some time are masters of their fates:
The fault, dear Brutus, is not in our stars,
But in ourselves, that we are underlings."*

Julius Caesar (1599) act 1, scene 2 Shakespeare

The subject of Fate or Destiny has triggered many a philosophical argument. What is destiny? Are the details of our lives pre-destined? How much free will do we really have? These are imponderable questions. This report does not offer the answers. Rather it gives us some signposts to help us on our life journey.

When meteorologists forecast the weather we understand that they are not telling us how to live our lives. Rather they are giving us information that may help us make our own decisions. As far as the weather is concerned our major decisions are whether or not to dress warmly or to take an umbrella. The astrological system of Transits is offering us much the same information. It is giving us an indication of the emotional and intellectual weather of our lives. It is up to us to decide our own destiny.

When using this set of interpretations, please bear in mind that, inevitably, every chart will contain some contradictory influences, and as a result certain interpretations of different items in the same chart may seem difficult to reconcile. However, this may still be an accurate reflection of what is happening to the individual whose transits are being interpreted, as people do experience conflicting desires, events and circumstances in their lives. It is the responsibility of the astrologer to synthesise these apparent contradictions in order to present a cohesive and realistic interpretation of the dilemmas of the chart.

Each entry in this report relates to an astrological event that affects the natal chart for this individual. The entries are sorted by the exact date on which each event occurs, and the period of time around this date during which the events are considered to be in effect is shown in parentheses on the same line. Note that due to occasional retrograde motion of some planets, some events may be exact on two or more dates, and in this case all such dates are listed on the same line. Also, any events which are not exact within the report period, but whose period of effectiveness overlaps with the report period are included.

TRANSITING NEPTUNE OPPOSITION RADIX VENUS - Your primary relationships are confusing right now. One or more of your friends, family or work colleagues are acting in a strange manner. Perhaps your spouse wants more romance and fun and you feel unable to response, or perhaps your spouse is changing and you are unsure of the direction of your marriage. On the other hand maybe someone at work is acting in a confusing manner and you are unable to make clear career plans. Right now you are sensitive to the innuendoes of relationships, but do not have the clarity to assess them logically. This lack of clarity can leave you feeling insecure in your personal and/or work associations. You may even feel somewhat disillusioned with one or more important people in your life. As much as you would like to fix the problem, it can be difficult trying to do so when you are not sure of the cause. Although you may be suffering, emotionally and/or physically, it is best to bide your time. The fog will clear and light will be shed on the situation. Once this phase has ended you will have a clearer idea of how to proceed. Once again you will be able to make plans with a better understanding of those closest to you. Your finances may also be under a cloud during this phase. You would be well advised to be cautious in any financial investments, because the rewards may not be what they promised to be.

31 Oct 2018 (17 Oct 2018 to 12 Nov 2018)

TRANSITING SATURN SQUARE RADIX MOON - This is a period of emotional stress. You are being challenged to find a balance between your emotional needs and your work. The greater the imbalance prior to this transit, the greater your discomfort. The best way of handling this is to make the appropriate adjustments which will respect both your inner needs for comfort and human warmth, and your external needs for achievement.

11 Nov 2018 (31 Oct 2018 to 21 Nov 2018)

TRANSITING SATURN SQUARE RADIX SATURN - It is time to take a look at the structures in your life. This can range from the smallest of details such as your daily diet through to larger matters such as the house in which you live. Do the current habits and structures of your life still suit your life choices? Perhaps your feelings, family or work has changed and you need to adapt accordingly? This can be a testing time if change or settling down is a challenge to your nature. Aspects of your life which once seemed to offer safety and security become less sure during this period. It may be that you are viewing these areas differently, or it could be that someone else is shaking things up. Either way you are being forced to reassess your plans and purpose, leaving behind any ineffective support systems. The good news is that you can now build new support systems that boost your sense of purpose.

3 Oct 2018 (28 Sep 2018 to 8 Oct 2018)

TRANSITING JUPITER OPPOSITION RADIX CHIRON - Life lessons are learnt when these two entities combine. You are likely to learn more when you relax and have a positive mind set. This can be a painful time during which you feel hurt by someone else's actions or by an external event. It can also be a period during which you heal. You may feel that you are being forced out of your comfort zone and required to grow in ways that you would rather not. It is also possible that this current pain has triggered memories of childhood hurts, which you had hoped to bury. While this is difficult and can leave you feeling quite

powerless at times, you would do well to face the situation and move through it with strength and courage. Of course you can always ask for help from compassionate friends or professionals. Your challenge is to heal wounds from the past which may be subconsciously inhibiting the full expression of your talents now. Faith and hope are your friends right now. By the end of the transit you have been presented with the opportunity to discover new treasures.

20 Nov 2018 (9 Nov 2018 to 29 Nov 2018)

TRANSITING SATURN SQUARE RADIX JUPITER - There is tension between your wish to follow your rainbow, and the need to attend to the practicalities in life. In other words you are experiencing a struggle between the side of you which wants to expand and grow, and another side of you that wants to stay put and feel secure. This tension will lead to resolution, but in the meantime you may be forced to work through the problems and obstacles that stand in the path of your fulfilment. You feel down on your luck. New opportunities seem to present themselves only to come to nothing. It is similar to seeing an oasis in the desert only to discover that it did not exist. In truth you are restless for new horizons but instead are being required to shoulder old responsibilities. It is also a time when projects and goals will be tested. Exercise patience and calm persistence during this transit and you will discover a renewed sense of equilibrium.

8 Feb 2019 (8 Jan 2019 to 20 Mar 2019)

TRANSITING PLUTO SQUARE RADIX PLUTO - This is one of life's challenging transits during which you are forced to reassess your past and discard any outmoded patterns which have been standing in your way. It is sometimes said to be one of the mid-life crises during which you are motivated to clear out old deeply-entrenched patterns and habits. It is a time to re-evaluate your deepest motivations and feelings. You may become more wilful, driven by deeper urges to make your life conform to your innermost desires and ambitions. You are forced out of any ruts. Pluto's energy can sometimes be ruthless and so you may feel some pain in the process of letting go and stepping out of your comfort zone. However, the process is regenerating and you will feel better able to tackle the rest of your life with the renewed vigour that comes from a lighter load. This is particularly true if you can ensure that your willpower is aligned with integrity and true spiritual purpose rather than personal, selfish desires.

TRANSITING URANUS SQUARE RADIX NORTH NODE - Fate is forcing a change of direction. The path which you thought you were treading in life takes a few unexpected twists and turns during this period. It is a process of discarding old habits in favour of new experiences, in particular metaphysical experiences. Your change of path could involve metaphysics, science, environmental interests or technology. A new and unusual group of people may cross your path sparking new interests, or perhaps you will meet an unusual person to accompany you along life's path. You may literally find yourself cleaning out the cupboards, or perhaps only metaphorically. Whatever the changes, they are unpredictable, exciting and perhaps a little disconcerting.

TRANSITING JUPITER TRINE RADIX ASCENDANT - This is a favourable time for your health and happiness. Right now you can enjoy joyful occasions, benevolent friends and pleasurable pursuits. You may travel abroad, study a subject that has always fascinated you, achieve success and awards, or simply sit back and enjoy peace of mind. You may enjoy socialising more right now, perhaps with people in the higher echelons of society. Your social contacts may benefit your life. People in high places may bestow gifts on you. If you are married then your spouse may be particularly supportive. Now is an ideal time to start a healthy diet or exercise regime, particularly as you are apt to put on weight through too much good food and socialising. Self-improvement courses may also attract you, as you feel generally good about yourself and your relationships. You may also take on a teaching role during this time. Generally speaking this is a time where you learn more about yourself, experience the benefits of good relations and have the ability to make your mark on the world.

TRANSITING JUPITER CONJUNCTION RADIX URANUS - You may currently feel like life is like a roller coaster ride, full of surprising twists and turns which offer both fear and excitement. This is a time when you are willing to try new things. In fact you may feel that you have no choice. Something is compelling you to take risks that you never thought you would. And woe betide anyone who stands in the way of your new-found push for freedom. You want to be left to your own devices, even though they may seem odd to those who have known and loved you. They would be wise not to stand in your way. However, you would also be wise to show some restraint when appropriate. A complete disregard of rules and regulations can prove dangerous in some situations. Opportunities for travel, study, technical, esoteric and scientific pursuits may arise.

TRANSITING JUPITER TRINE RADIX NORTH NODE - During this time you have the chance to improve your relations with other people, and to make new connections. You may meet a particular person, or take up with a new group of people. Either way this connection could help you expand your horizons in life. This can have a positive effect on your life as long as you recognise the opportunities, and do not pass them up. An engagement and marriage may be on the cards.

TRANSITING JUPITER TRINE RADIX MERCURY - Good news is the cornerstone of this phase because communications of all types are favoured. If you have been waiting for a positive outcome to a project, or a beneficial announcement of some sort then you are likely to receive it now. You are mentally alert and capable of quick thinking and good decisions. Influential people notice your positive attitude and aptitude and reward your efforts. Promotions at work are possible. You are also likely to benefit from any decision to study, travel, teach, write or sharpen your mental faculties. Plans to buy and sell property are likely to be satisfying. In fact any plans made now are easily executed because of your optimism and ability to see the big picture, as well as deal with details. You may also discover latent sales talents. Legal contracts and lawsuits are also likely to be favourable when undertaken now. Of course, this does depend on other astrological influences. However, if you have shown restraint and wisdom in your dealings with other people then you are likely to receive positive news.

TRANSITING SATURN OPPOSITION RADIX MARS - It appears right now that other people or circumstances are standing right in the middle of every path that you choose to take, and you feel frustrated and tired. The time is ripe to step back and reassess your goals and ambitions before trying to meet other people and obstacles head on. Pushing forward regardless of your circumstances will only cause greater tension than you are already experiencing. At this point in time you would be better advised to bide your time, reassess some of your ambitions in the light of current circumstances and allow others to forge their own paths. Perhaps their plans are disrupting yours unfairly or perhaps you are being requested to consider other people's goals. If you are the sort of person who usually leads the way then perhaps it is time to let others share in decision-making. You can relax your tight hold on the reins of power and take a back seat. On the other hand perhaps you have always let others dictate. Now you are required to quietly stand up for your own rights and ensure that you are not being bullied. Either way you are well advised to stay away from anyone who threatens to abuse your rights. With a little patience and tolerance you can adjust to the advent of other people's requirements or life's new circumstances. This is particularly true of a man in your life, perhaps a husband, boyfriend, father, or brother. However, it could be any male friend or relative who is demanding attention or a change of direction. It could also be true for a project that you are undertaking, either or your own or as a group venture. The more sensible you are in making plans and co-operating with others while maintaining your own sense of self, the more rewards can be reaped from this phase. Your patience can really pay off, helping you gain a real sense of purpose and achievement.

TRANSITING SATURN SQUARE RADIX MIDHEAVEN - Right now you are reassessing the direction of your life. This is likely to be an examination of your career options, however; it could also involve a decision

regarding marriage or becoming a parent or a decision to purchase or sell a home. It is time to find the right balance between your professional goals and your family life. If you have been focusing on your career then you may now need to turn your attention to your marriage and family life. However, if you have been concentrating on marriage, home or family, then now you may be required to set some career goals. In other words this is an important time for reflection on and reassessment of your life goals. You may question past decisions and decide that you are ready for a change of direction. Alternatively you may be happy with your decisions and want to build on the foundations. The more your life has been out of balance the more you feel the effects of this transit. It is important that you carefully consider the best way for you to lead a purposeful and meaningful life. Whether you find this process easy or difficult, it is time for some decisions. Therefore, it is important that you take the necessary time to ponder any proposed changes, carefully considering both the short-term and long-term consequences. You are sowing seeds which can reap great rewards in the future.

Your self-assurance is high and you feel that you can take on the world. You can see that your goals are within reach, and with good fortune success comes easily now. You are also more benevolent than usual, happy to share your good fortune with others. Abundance and prosperity are key words for this period. Your opportunities to spread your wings can come in a variety of ways. Perhaps you have always wanted to travel around the world or study at an academic institution. Now is your chance. On the other hand you may have dreamed of getting some creative work published or staged. The time is ripe to contact those in a position of authority. You may also be drawn to religion during this phase, questioning your philosophy and looking for answers. Your good nature is likely to be attractive to other people and you may receive recognition and appreciation. This is a time to expand your world rather than sit at home and let the world pass by.

TRANSITING JUPITER SQUARE RADIX VENUS - Although this can be a positive time for socialising with loved ones, there is also an element of tension. This could be because you are expecting too much from your nearest and dearest, or it could be that they are asking too much from you. You find it difficult to please yourself and other people. There has to be a balance between the adventures of life and the routine daily demands. Right now one of you is seeking only the adventure and this is causing tension. It is often hurtful when one person in a close relationship upsets the balance, so it is understandable if you are feeling rejected by your loved one. The best approach may be to give the other person a little bit of time to settle down. They may need a little bit of freedom before returning to a more balanced approach to the relationship. On the other hand it could be that the other person's insensitivity to your relationship is the straw that breaks the camel's back, as far as you are concerned. If you are the one who is acting in a rash manner then you would be wise to listen to other's concerns and show a little restraint. In astrology Jupiter is considered to be a positive influence. Therefore it is more likely that things will settle down with positive results from this topsy-turvy time.

TRANSITING JUPITER CONJUNCTION RADIX NEPTUNE - This is a time of heightened intuition during which you feel tempted to explore a more spiritual or artistic side of life. Even if religions have never before seemed inviting, you may now start to ponder the meaning of life and explore different religious avenues. You may be tempted to go on some sort of spiritual quest. However, one of the problems with this transit can be that you are seeing everything through rose-tinted glasses. In other words you may be vulnerable to the charlatans of the world as you are extraordinarily sensitive during this transit. You may also feel the urge to take on some charity work. While this can be a beneficial act, you need to beware of wasting your energy on people who do not want to be helped, but would prefer to remain victims of society. Also beware of being lured into the world of addiction through drugs of any kind. You would do better to explore spiritual pursuits, metaphysical subjects, or latent artistic talents without entering schemes that could have long-term ramifications.

TRANSITING CHIRON OPPOSITION RADIX MOON - An external event or someone else is causing emotional pain, which seems to be welling up from the past and threatening to take over the present. It is true that this person or event has sparked some inner wound, but you have the opportunity now to heal the past and move forward. You need to be aware of the fact that the other person or the event may not have intended to hurt you. It is simply that they have triggered a deep, sub-conscious memory which is causing you pain. The pain may be attached to emotional wounds connected with your mother or your early childhood. In a strange fashion this present pain is a gift as it allows you to delve deep within your own nature for solutions. You can use many different avenues to alleviate your troubles, ranging from simply surrounding yourself with compassionate friends, to exploring alternative healing and therapies. It is important that you treat yourself and others kindly as this can be an acutely painful time. Your dreams may also hold keys to your present-day predicament. Tears may flow, but it is ultimately a time of healing and education.

TRANSITING CHIRON OPPOSITION RADIX MOON - An external event or someone else is causing emotional pain, which seems to be welling up from the past and threatening to take over the present. It is true that this person or event has sparked some inner wound, but you have the opportunity now to heal the past and move forward. You need to be aware of the fact that the other person or the event may not have intended to hurt you. It is simply that they have triggered a deep, sub-conscious memory which is causing you pain. The pain may be attached to emotional wounds connected with your mother or your early childhood. In a strange fashion this present pain is a gift as it allows you to delve deep within your own nature for solutions.

You can use many different avenues to alleviate your troubles, ranging from simply surrounding yourself with compassionate friends, to exploring alternative healing and therapies. It is important that you treat yourself and others kindly as this can be an acutely painful time. Your dreams may also hold keys to your present-day predicament. Tears may flow, but it is ultimately a time of healing and education.
